AND) PETITION
South Carolina Pipeline Corporation -)
Application for a Rate Increase)

On January 26, 1990, the South Carolina Energy Users Committee (SCEUC) filed a Motion For Hearing to be Held on Merits as Scheduled in the above-captioned dockets. SCEUC was recently advised by South Carolina Pipeline Corporation (Pipeline) and the Consumer Advocate of South Carolina (the Consumer Advocate) that there might be a withdrawal of the Petitions in the above-captioned matter and, therefore, a cancellation of the hearing scheduled on the merits in the above-captioned matters for February 26, 1990. SCEUC believes that it should have the opportunity to be heard on industrial issues as joined despite the settlement of differences of other parties. SCEUC requests, therefore, that the Commission allow SCEUC, Pipeline, the Commission Staff, and other interested parties of record a hearing on the merits for February 26, 1990 as scheduled.

The Commission must deny the Motion of SCEUC. The Consumer Advocate and South Carolina Pipeline Corporation have already withdrawn their Petitions in the above captioned matter and the hearing scheduled for February 26, 1990 has been cancelled and the docket closed.
